# FOR PASSAGE OF

the enabling act at the last Legislature, and request the Anti-Saloon League of Virginia to continue its efforts to secure from the forthcoming General Assembly a bill which will permit the people of Virginia to express at the pells their opinion of the legalized liquor traffic.

"5. That we indorse the recent action

"5. That we indorse the recent action of the American Anti-Saloon League tecking to the national prohibition of the beverage liquor traffle by constitutional amendments.

(Signed) "W. C. JAMES.

"H. T. WILLIAMS"

The report was read by Rev. J. W. Tammach, of Richmond. Pending the rote on the report, Rev. J. D. McAlliser, secretary of the Anti-Saloen League of Virginia, and Rev. E. J. Richard-son, superintendent of the Northern son, superintendent of the Aorthern District of the Anti-Salcon League of Virginia, addressed the association Mr. McAllister and Mr. Richardson both compliasized the importance of the enng act and the importance of its abling het and the importance of its passage, saying it would give the people of Virginia the right which they should have of expressing themselves at the polis regarding the question at issue. Mr. McAllister stated that it costs the State \$55,000 annually to meet the expense of poverty and crime traceable to the use of intoxicants, while the revenue to the State from the while the revenue to the State from the sale of intosicants is only \$550,000. He then said that it is necessary for the prohibition forces of Virginia to start such a move of sentiment in favor of prohibition between new and January

prohibition between now and January I as his never been known in Virginia before, and will result in the placing of the prohibition law on the statute books of Virginia. He then called attention of the small receipts available for the support of the Anti-Saloon League of Virginia, and said this support in no year had equaled that of the cost of conductive. he cost, of conducting one second-class

Mr. Richardson also spoke of the need of finds for the support of the Anti-Saloon League of Virginia, and a volun-tary contribution was taken.

There was no open discussion of the port on temperance, but at the close I the addresses, a motion was made hat the report be adopted, and it was dopted unanimously. The body ad-ourned with prayer immediately after he vote was taken.

Danger of Extremes.

many striking utterances have been heard on the floor of Virginia Buptist General Associations on the has aroused greater interest a those of Rev C.S. Gardner, D.D. strly paster of Grace Street Bapthurch, Richmond, now a member he faculty of the Southern Baptist ological Seminary at Louisville. reological Seminary at Louisville, Speaking of the correlation of angelistic religion with se-called "30-

that the church will go to the extreme that the church will go to the extreme of emphasizing social religion and fail to emphasize evangelistic religion as it should be comphasized. The danger is that the time will come when in the place of protracted meetings and the mourners bench, church kitchens and pariors will be substituted in the effort to educate society to the point where it will not need to be reteemed. Remember this however, that when you have done away with evangelistic appeal to man you have destroyed the central principle in the religion of Jesus Christ, and when you have done desus Christ, and when you have done away with the social meaning of the gospel, you have done away with the ultimate objective of the religion of Jesus Christ. Social service has its place in the church, but it cannot take the place of the evangelistic power of true religion.

Speaking of the seminary especially,

The report on home missions was adopted at the close of this address.

Report on Home Missions.

Immediately after the close of the devotional service the report on home missions was presented to the general association. This report showed that during the past year the Baptists of Virginia have contributed through the home mission board \$31,286,34, which was \$3,712.86 less than the allotment for this cause, for the general association, the allotment being \$28,090.

The entire receipts of the home mission board, apart from those derived from supplementary sources, were from supplementary sources, and was at the cause of the was surgeon to the City Hospital, but during the past few years had regions and provided from active practice. He was a find this city of the death of his only sliced from active practice. Later, he was made chief survived by his widew Survived by his from supplementary sources, were \$369,592.38, being less by \$42,197.62 than the total apportionment of \$412.599 fixed by the Southern Baptist Convention for the General Association of Virginia. The Woman's Missionary Union of the Southern Baptist Convention contributed \$195,213.25, or more than one-fourth of the total receipts of the board, and in Virginia the Woman's Missionary Union contributed to home missions \$14,159.11, or about \$2,009 less than one-half of the entire amount contributed by the general association. During the year twenty-four evangelists and 1,427 missionaries were in the employ of the home mission board of the Southern Baptist Convention, these workers being employed independently chiploy of the hone mission board of the Southern Baptist Convention, these workers being employed independently or in co-operation with the State mission boards. There were also thirty mountain schools, with 150 teachers and more than 5,000 pupils, maintained during the past year; also 222 churches and 650 Sunday schools were organized; 418 houses of worship were built or improved, and there were 49,039 additions to the churches of the Southern Baptist Convention—29,935 by baptism and 19,104 by letter or otherwise.

The report called attention next to the fact that a survey of the field of the convention body shows that of the 23,659 churches 16,023 gave nothing last year to missions, and 3,332 gave less than \$5 each, making in all 57 per cent of the whole number of the churches which take practically no part in the work of the convention.

the number of unenlisted churches was get the Cardui, and commenced tak-

311 out of 1.067, or 34 per cent. Need of Churches. The next item of the report showed that 3,472 of the churches within the bounds of the Southern Baptist Conention are without houses of worship, 1994 are worshiping in dilapidated houses, which are in need of repairs by far the greater part of houseless or ill-housed churches are in the transmississippl territory, 1,700 being in Texas, but in Virginia there are no houseless churches reported and no churches reported to be in need of re-

The report urges that special attention be given to the fact that "Southern Baptists have a streater number of churches without houses of worship churches without houses of worship and inadequately housed than any other white Christian body in America, and they have a smaller provision for aiding these bodies of Christ toward securing an adequate plant than in any thouse the last bottle I was well. other religious body in the same class as to strength."

butions to the home mission board dur-ing the past ten years was cited in the ing the past ten years was cited in the ceport, and showed that in 1904 the reported gifts were \$123,558, while in 1913, including supplementary receipts, were \$387,423 During the same time the board, with its loan fund, which as yet is small and amounts to not more than \$80,000, has aided in the erection of eighty-three houses of worship and in the erection of 2,882 houses request.—Alevertisement.
